In Miami. Figuring out logistics as well for myself. I have no problem traveling up there seal team style - in and out. No offense to those who can't but prefer to be with pedes who can brawl.

God speed.

I would join you, but I'll be going early first to patriot family in PA. Be a shorter route down to the Swamp.

I am in Orlando and would love to ride along, just have to figure out who can watch my 5yo daughter since I'm a single dad and my family is all in MA so it's hard to get a sitter I can trust.

Dude, as one Pede to another, don't leave your daughter. We fight for patriots like you. Worry about her first. This ain't gonna be a one day thing. If this goes all out, we will need the backup in the future.

– [Graceunderfire](#) 3 points 1 day ago +3 / -0

I've been doing that all along, I'm just starting to feel more and more like her future is being stolen away while I sit around with an excuse.

What do I tell her when shes 25 and asks me why the locally appointed CCP party member gets to bang her once first before she's allowed a marriage license.

Completely agree. I talk to folks from Venezuela and Cuba all the time who lived the good life and did nothing while their country was stolen, then lived to regret it and had to flee.

But in your situation, don't bail on your daughter unless you have a solid backup plan for her in case things go awry on the 6th and you don't make it back.
